## About Us

Welcome to the Treehouse at Hartland Bible Church! Our goal at Treehouse is to provide a safe, positive environment for the children in our care to thrive, while planting seeds of faith and living out the love of Christ through our words and actions. Secondly, we seek to strengthen families through faith-building opportunities, discipleship, and practical help.

## Our Philosophy

- We are committed to providing a supportive and inclusive environment where children can learn, grow, and thrive.
- We believe that everyone was fearfully and wonderfully made by a Creator that loves them, and that they were made with intention and purpose. We seek to provide students with opportunities to realize their place in God's family.
- We value respect, empathy, kindness, creativity, compassion, and cooperation in all interactions with children, staff, and parents.
- We believe in the importance of play, cultivating a growth mindset, and building a sense of collaboration and community among children, staff, and parents.
- We believe parents are the primary caregivers for their children, so we seek to provide support, encouragement, and community for the whole family as appropriate.
